WANTS ROBBINS TO STAY WITH COMMITTEE

Resignation as Advisor Read But no Action Regarding it Taken

EMPLOYMENT OF FIRM RATIFIED

Two Substitute Teachers are Appointed to Fill Out the School Years

The resignation of O. M. Robbins as a member of the advisory committee of the city board of education, received by the secretary about two weeks ago, was read at the meeting of the board of education last night, but nothing was done with it. President W. L. Duggan of the school board stated that he believed that Robbins ought to and would continue as an advisory committeeman, and Duggan thought that he and W. A. Zimmerman should be placed on the building committee as representing the advisory committee.

The school board passed motion employing Attorneys Williams & Rutan to assist in the defense in the action brought by Robert McFadden to prevent the sale of the \$200,000 polytechnic high school bonds. These attorneys were employed at a meeting held last Tuesday evening, but as that meeting had not been regularly called, the action taken at that time was ratified by passing a similar motion at last night's meeting.

The resignation of Miss Runa Johnson as a teacher at Lincoln school was received, and Mrs. E. E. Clark was elected substitute to take her place for the remainder of the school year. Miss Johnson has had charge of a class of Spanish children. She resigns to go to Los Angeles, where she has been elected as a teacher.

Mrs. John Baker has been employed by the school board to teach the eighth grade of Washington school, to take the place of A. M. Davis, resigned.

The building and grounds committee was given authority to see that the fences at Washington school are repaired.

ROOSEVELT LOOKED TO OUTLINE STAND IN COMING SPEECH

NEW YORK, Feb. 14.—Progressive leaders today announced that Col. Roosevelt will publicly declare his stand on the presidential candidacy when he addresses the Ohio constitutional convention at Columbus, Wednesday, Feb. 21. He will then elucidate the platform that he will occupy, if he decides to run.

GOV. JOHNSON NOT YET COMMITTED TO ROOSEVELT
NEW YORK, Feb. 14.—Col. Roosevelt's Columbus speech will not announce his candidacy but will outline the principles he believes the Republican candidate must endorse.

Gov. Hiram Johnson visited Roosevelt today. It was learned that Gov. Johnson has not yet committed his support to Roosevelt, but believes Roosevelt must take a decided progressive stand if he wants progressive support.

NEW YORK, Feb. 14.—A serious split between Col. Roosevelt and the progressive leaders grooming him for the presidency is impending according to reports from the Outlook office as a result of Roosevelt's disavowal of his address to the Ohio Constitutional Convention in Columbus next Wednesday. It is reported that the hitch occurred over an endorsement of the trusts and a plea for less business hysteria which the Colonel threatened to incorporate in his speech.

The progressive leaders told Roosevelt such an utterance would cost him the nomination. The conference is continuing this afternoon and every effort is being used to persuade him to eliminate this feature of his speech.

ARIZONA GARBS HERSELF IN STATEHOOD

People of New Commonwealth Greet Its Birth With Boisterous Rejoicing

GOV.-ELECT HUNT GIVES "GOLDEN RULE" PROMISE

Desert Celebrates — Distinguished Men Witness Hunt's Inauguration

WASHINGTON, Feb. 14.—President Taft this morning signed the proclamation announcing Arizona's statehood. He used a gold pen which he presented to Postmaster General Hitchcock.

The announcement that Retiring Governor Sloan of Arizona would be made federal judge for Arizona was received from President Taft today.

Taft sent the following message to Governor Sloan:

"I congratulate the people of the newest commonwealth upon the realization of their long cherished ambition. I extend my best wishes for the retiring and incoming officials."

ARIZONA BORDER SECTION WILD WITH JOY TODAY

NOGALES, Ariz., Feb. 14.—All the border section was in bedlam, when word was flashed at nine o'clock this morning that President Taft had signed the statehood proclamation. A celebration will take place next Monday. The desert section is celebrating today.

GLORIFICATION OVER ENTRY INTO UNION OF STATES

PHOENIX, Feb. 14.—The ringing of bells, the screeching of whistles, cheers and impromptu parades marked the last few hours of Arizona's half century of life as a territory. By 11 o'clock thousands had gathered at the capitol steps awaiting the arrival of Governor-elect Hunt, who walked from the business section two miles away.

Members of the Arizona Federation of Labor worked throughout the morning building a stand for the governor to review the civic parade this afternoon.

One stand was built by non-union labor which Gov. Hunt refused to utilize. W. J. Bryan and Gov. Marshal of Indiana, were spectators of the inauguration.

Gov. Hunt's Address

PHOENIX, Ariz., Feb. 14.—Declaring for a "Golden Rule" administration, and for Progressive Democratic policies, George W. P. Hunt, today was formally inaugurated the first governor of the State of Arizona. In his inaugural address delivered at the capitol, Governor Hunt said:

"Mr. Justice, Governor and Fellow Citizens: In the name of the sovereign people of Arizona who gave it

I accept the responsibility conferred upon me. There is neither thought

nor desire in my mind to be known to posterity as Arizona's best governor, but rather the wish that Arizona and her governors hereafter elected shall continue to be progressive, and that my administration may encourage a constantly awakening public conscience.

"Arizona is progressive and Democratic, and my administration, insofar as my conduct can assure, shall be Democratic in the Jeffersonian sense that denotes equality, simplicity and unostentation. The office of the governor will be open every hour of every working day of the year, and many other hours."

After outlining his plans to make his administration one of strictly business principles, Governor Hunt said:

"In a subordinate sense I have tried to indicate that my administration will be a strictly business one in which the people's money shall be wisely used, waste prohibited, and graft wherever it may be found, exposed and punished; but I am far more anxious that it shall be known as a 'Golden Rule' administration, in which the rights of all classes shall have equal consideration."

The new governor closed his address with a promise of an opportunity for the people soon to decide upon the progressive principle of judicial recall which was eliminated from the constitution at the request of President Taft to secure its approval by the federal chief executive.

CORNER SYCAMORE AND FOURTH SOLD AND MAY MEAN A BIG BUILDING

Santa Ana may soon have a new big building, four, five or six stories high.

A deal is being consummated whereby W. A. Zimmerman, president of the Orange County Savings Bank, comes into possession of the northeast corner of West Fourth and Sycamore streets. Zimmerman buys from A. J. Visel the corner piece, 58 feet on Fourth and 50 feet on Sycamore, the ground floor of which is occupied by Turner Shoe Company. Zimmerman buys a frontage of 100 feet on Sycamore street, adjoining the Visel lot on the north. The Czarske property is 125 feet deep. The consideration for the properties is about \$50,000. The properties together comprise an L-shaped piece with 150 feet frontage on Sycamore.

Zimmerman has not announced definite plans, but there is a likelihood that he will put up a building from four to six stories high. He has received an offer to lease the first three stories.

Zimmerman has invested many thousands of dollars in Santa Ana property in the last year, and this big deal in business property shows his undoubted confidence in the city's future.

PRESENCE OF MIND SAVES THEM

As House is Burning, Mrs. Charles Mason Rescues Sleeping Children

TRAMP PROBABLY STARTED FLAMES

Dwelling on East First Street Burned Down at 3 O'Clock This Morning

The presence of mind and quick action of Mrs. Charles Mason saved the life of her two children at 3:15 o'clock this morning when Charles Mason's house at 821 East First street was destroyed by fire. The fire was started probably by a tramp, believed to have crawled under the house to sleep.

The house stood about three feet above the ground. Two or three days ago, Mrs. Mason and her oldest boy, Clarence, aged 6, stored a quantity of eucalyptus leaves for kindling under the house. These leaves were about half-dried, but it seems impossible that any fire started by children in the evening would have smoldered for several hours before breaking into the flame that went through the floor of the house.

Mason was at Long Beach at work on a carpentry job. Mrs. Mason had planned to take a small wagon-load of household goods to the Mason ranch in Santiago canyon today. The wagon was loaded yesterday afternoon. The sewing machine and a few other articles were in the wagon. The Masons expected to move to the canyon for the summer, and had just opened the house with the expectation of renting it. Mrs. Mason was up until 11 or 12 o'clock with the oldest boy, getting ready for the start this morning. Mrs. Mason remembers that she heard a faint crackling of some kind under the house, and is now convinced that some one had crawled beneath the house to sleep. At the time she heard the noise she thought nothing of it.

The woman and the youngest boy, Wilbur, aged 2, slept in the south bed-room, and Clarence in the room adjoining on the north. About 3 o'clock, the woman was awakened by smoke. Fire had broken through the floor between the rooms, and the doorway between the rooms was barred by flames.

Mrs. Mason picked up Wilbur and the mattress on which he was asleep, and placed them close to the front door. She then ran around through the dining-room, and went to the room where Clarence was sound asleep. The flames were within two or three feet of the child's head. Mrs. Mason seized the boy by the legs and dragged him from bed, and hurried him back to the front room, where she picked up the still sleeping baby and a case of papers, and went into the front yard.

By this time the interior of the house was full of fire, but shutting her eyes and holding her breath, the woman dragged a baby-buggy and lounge through the front door, and then she ran to the back door and pulled out a bicycle. She could do no more.

By this time an alarm of fire had been sent in, and the firemen were on the way. A stream was turned on the fire, but it was too late to save the house, which burned to the ground.

Mrs. Mason estimates that the five-room house was worth \$700 or

GRUENENWALD NEW DIRECTOR

After electing five directors yesterday afternoon, the annual meeting of the stockholders of the Santa Ana Valley Walnut Growers' Association adjourned. The directors elected are M. Nilsson, A. H. Stuttsman, A. C. Williams, A. C. Tieke and O. H. Gruenenwald. The first four named served on the former board. Gruenenwald is a new member. He takes the place of John Curbon, who has sold his walnut orchards. The new board will organize at a meeting to be called by the secretary, Tieke, to be called probably for some day this week.

PERPLEXED AS TO WHAT TO DO WITH FILM OF SIGNING

WASHINGTON, Feb. 14.—When President Taft signed the certificate admitting Arizona to the sisterhood of states, his act was perpetuated by a motion picture machine. Now that the signing of the important document has been recorded pictorially, the chief executive is undecided as to what to do with the film.

**DRIED FRUIT MEN
BRING GOOD CHEER
TO APRICOT MEN**

The directors of the Orange County Dried Fruit Association had the pleasure yesterday of meeting two of their Eastern representatives at the office of the packing house. These gentlemen, one of whom is Mr. R. M. Tucker, who lives in the Santa Clara valley, and the other Mr. O'Brien of Minneapolis, are investigating California fruit crop conditions. They were much pleased with the goods they found here and declared that they were a better lot than they had looked for, and superior to this year's apricots of the northern countries.

The directors were assured that there would be no trouble in moving the entire crop. The season for actual demand in the district represented by these gentlemen is from February until the middle of June, and the heaviest demand comes in the latter two months. The fruit in the Santa Clara valley is practically cleaned up and will cut little figure in the market. Ventura and Orange counties are practically the only holders of cots and the associations very nearly control the balance of the supply. Ventura has moved over one-half. The local association is loading its sixth car today. Mr. O'Brien thinks that with the short supply on hand and the season of actual demand practically all in front, the associations may be compelled to advance their price.

The fruit retails at from 20 to 25 cents per pound, and in some fancy stores perhaps 30 cents. This is about the same every year, no matter what price you may get. The people will not stop eating apricots this year," said he.

Incidentally these gentlemen showed considerable interest in the wall nut situation.

Last week Mr. Chas. Corby and Mr. Thos. J. Cobb of the Corby Commission Co. of New York, and the Corby & Cobb Co. of Philadelphia, visited here on a similar mission, and carried away with them a good impression of the local goods, leaving an order with the secretary, and good cheer in the hearts of the directors.

**COTTAGES BUILT
AT HOT SPRINGS**

Supervisor Leck and his associates in the San Juan Hot Springs County have more than made good their announcement of last summer when they leased the springs. They have built eight neat cottages and a dining-room, and have renovated the bath-houses and fitted the place up for the accommodation of the public. The springs are available the year around for those seeking rest and the curative effects of the water and baths that have made the springs widely known. Arrangements have been made for meeting trains at San Juan Capistrano on Saturdays and Tuesdays, at 11 a. m. with a stage for passengers to the springs, which are situated in one of the prettiest canyons of Southern California.

Only three full days left for the candidates to take in every subscription they possibly can get—that is to say, the three days referred to are the last days left for candidates to claim triple votes for NEW ONE, TWO AND FIVE YEAR SUBSCRIPTIONS. Of course if you are a real hustler you can do a full day's work TONIGHT and that will give you four days.

Today, Thursday, Friday and Saturday—don't let this period of the contest pass by without exerting your very best efforts to help your favorite candidate.

With muskets loaded, ready to charge on every friend and acquaintance for a subscription, the candi-

dates are alert with feverish excitement. It is going to be a race to the Royal Throne effervescent with activity every step of the way. The clamoring for first place each day as the contest progresses, and at the same time is drawing to a close, tells the story in a nut-shell of a battle for ballots that the merry can-

didates have waged and the do-or-die spirit with which each of them is forging nearer and nearer to the final goal.

Boost Your Favorite

Those who are not in this heavy struggle for ballots do not understand how much a candidate appreciates it when she meets some one who presents her with a subscription or a ballot for several thousand votes. She will speak of this remembrance for months and she won't forget it during her natural

FRANCES WILLARD MEMORIAL MEETING

White Ribbons Paid Tribute to Great W. C. T. U. Leader in Fine Program

The Santa Ana W.C.T.U. held the annual Willard Memorial meeting yesterday afternoon at the home of Mrs. John McFadden, 906 North Main street. The parlors were filled with members and friends of the union, with the president, Mrs. Lea Warren, in the chair. Mrs. W. L. C. Samson conducted a very earnest devotional service. Rev. Francis Moody, field secretary of the Anti-Divorce Law League, gave a short address, stating the conditions of the divorce law in California and urging reform measures to reach these conditions.

The Frances Willard Memorial program was in charge of Mrs. S. H. Finley, and was opened by Mrs. Dr. Raugh, who read a biographical sketch of Frances Willard, and an article by Elizabeth Gordon on "Frances Willard as I Knew Her."

Pen sketches of Frances Willard were read by the members. Mrs. Tillotson read a poem on Frances E. Willard, and in the absence of Miss Vawter, also read a paper on "The Red Men and Christian Citizenship." Mrs. Williams, in a very interesting story, told of the W.C.T.U. work among the colored people. Mrs. Nickell gave a pen picture sketch of Frances Willard.

In closing the program Mrs. Mills explained the Frances Willard Memorial fund, and how the fund is used. The offering taken for that fund amounted to \$5.

One of the pleasant features of the afternoon was a piano duet by Flora McFadden and Carolyn Finley.

The Orange County W.C.T.U. executive committee will meet on Tuesday, Feb. 20, in Huntington Beach, at 10 a.m. Everyone is invited to attend this meeting.

The next meeting of the local W.C.T.U. will be held at the home of Mrs. Frank McElree, near the corner of Sixth and Ross streets, on Tuesday, Feb. 27. The subject will be "Co-operation With Our Teachers." Mrs. McElree requests that the meeting open at 2 p.m. instead of 2:30, as a special program has been arranged.

FRANCES E. WILLARD

Behold, a dreamer cometh? Yes, a seer! One who in vision rapt foresaw this wide, God-smitten earth borne on resistless tide. Of spirit force to the golden year, A world transfigured to a luminous sphere.

By sun-bright deeds and natures glorified; A home-like world, so fair it may abide His coming—the heart searches—without fear.

A dreamer? Yes; but, ah! a doer, too. Jeanne D'Arc of later time and fairer fame. In moral realms she conquered, to the Blue Her soul unfettered rose, mid loud acclaim.

To lead a mighty host to see and do Sang angel chorus, "Behold, this Dreamer came."

BREAKS UP A COLD IN SEVERAL HOURS

An Effective Way to Cure a Bad Cold and End Grippe Misery

There is not one grain of quinine in Pape's Cold Compound, which, when taken every two hours, until three consecutive doses are taken, will surely end the grippe and break up the most severe cold, either in the head, chest, back, stomach or limbs. It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, catarrhal affections, soreness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.

Y. M. C. A. MEETING AT 6 THIS EVENING

The second of a series of weekly meetings of the Y. M. C. A. will be held tonight at the Barrett Cafeteria, 413 North Main street. Fellowship luncheon at 6 o'clock and evening program at 7 o'clock at Congregational church are on the schedule.

The Y. M. C. A. had a fine meeting last Wednesday, with inspiring talks from Rev. J. H. Scott and Dr. J. F. Doyle. With the speakers for this evening we are expecting a splendid time.

All young men from 16 up to 30 should be there.

HEALTH RESORTS AND INFECTION

Among the public the idea is occasionally found that cities or communities frequented by tuberculous persons present conditions favorable for the infection of the well. While it was difficult to secure conclusive evidence to prove the error of the assumption referred to, yet a study of the question would indicate that casual contact and house infection were of relatively slight importance, and that if the presence of a large number of "open cases" were a factor of great importance in spreading tuberculosis, there should be some correlation between the death-rate of imported and acquired cases in the various communities. None of the states except Arizona classifies separately the deaths from imported cases and those from locally acquired tuberculosis. It is found that in Denver, which also makes this distinction in classifying these deaths, the death-rate from locally acquired tuberculosis, while it fluctuates somewhat, is low and is certainly not increasing. California also classifies these deaths according to length of residence and while the line cannot be distinctly drawn between imported and locally acquired cases, yet the conclusion is that the death-rate from tuberculosis is no higher in Southern California, which receives most of the imported cases, than it is in the central and northern portions of the state. The abundance of sunshine, which quickly destroys the germ, and the possibility of outdoor life in most of these communities together with the supervision exercised by physicians over this class of patients and the instruction given them as to the spread of infection and adoption of correct hygienic measures, make these communities as safe for the general public as the communities less favored by climate. The Journal of the American Medical Association says that tuberculosis is notoriously a disease dependent upon poverty, malnutrition, dust, bad air and bad housing, these conditions in the closely populated industrial centers with less supervision over the cases really afford much greater opportunity for the spread of this infection than the presence of many open, but supervised cases, as in the health resort communities.

WHEN THE HEN EMBALMS HER EGGS

Appropos of a recent discovery commented on in The Journal of the American Medical Association, to the effect that antiseptics, given in the chickens' food, affect the egg, we wonder what Dr. Wiley will do with a hen that embalms her own eggs. By the aid of science, it seems, she can now do it, and, from what we know of this perverse fowl, we fear that she will do it. Such a discovery as this can scarcely elude the grasp of the astute poultry producers and egg embalmers. Will it be applied practically, and, if so, will its effects be pernicious or beneficial? Shall we be poisoned by both the ham and the eggs, or will it now become possible for every farmer to stock his own storage warehouse and hold down the winter prices on hen fruit?

"LAID OFF TRIP TO BE WED;" BALBOA GIRL IS WED IN RECORD TIME

"Say, Judge, I understand you hold the record as a rapid knot-splicer. I laid off a trip to get married and must be back on my run inside an hour. Here's the girl, and a chance to show your best speed mark. Please rush it."

Chester Arthur Clark, a trolley conductor of Sherman, voiced these sentiments to Justice Summerfield yesterday morning. Exactly two minutes later Clark, with pretty Miss Jennie Weems on his arm as his bride, was on his way to resume railroading for the Pacific Electric. Her home was in Balboa.

OLD CHURCH IS MOVED

Presbyterian Congregation of Orange Will Erect New Edifice

ORANGE, Feb. 14.—In about two weeks the oldest church building at present in Orange will be moved back to make room for a successor in the form of one of the handsomest church structures in the county. Plans for the new Presbyterian church have been accepted, and it is expected that work on the new building will actually begin in about two months. The completed structure will be as handsome an accession to the church buildings of Orange as could be desired. It will be located on the site of the present building. The present church is thirty years old, and is said to have been the second church building built in Orange.

BONNEY—In Santa Ana, Feb. 13, 1912, Henry H. Bonney, aged 69 years.

Establishment of the dollar rate on lemons brings to an end one of the bitterest rate fights ever carried on between California shippers and the railroads. The battle originated more than a year ago. It was favorably acted on by the interstate commerce commission. The roads then appealed to the commerce court, which body granted the injunction asked for, and the commission again had to hear the case. At the second hearing it reaffirmed its original order calling for the \$1 rate, and when the railroads took the matter again to the commerce court an injunction was issued.

LEG IS BROKEN BY HORSE KICK

FULLERTON, Feb. 14.—C. M. Asher, employed by the Fullerton Meat & Grocery Co., suffered a double fracture of the right leg last evening, when the horse he was driving kicked him when he was sitting in the seat. After having broken Asher's leg, the horse ran away, and threw young Asher from the wagon. He was picked up and taken to the Fullerton Hospital, next door.

Young Asher was out delivering and was returning to the store. As another buggy approached at the corner, Asher stopped his horse to see which way it was going to turn. When he started again the horse he was driving balked, he whipped it to start it, and the horse, which is a vicious animal, kicked him while he was sitting in the wagon. The blow from the horse's hoof was so bad that it fractured his leg in two places, and it was necessary for the doctor to put silver screws in the pieces to hold them together.

When his leg was broken, Asher dropped the lines and the horse ran. Young Asher's people live in Oregon. He is now at the Fullerton Hospital under the care of Dr. Langdon Hall and Clark of Fullerton were called in to help set the leg.

Doings In Social and Club Circles

At the Nisson Home
Mr. and Mrs. M. Nisson last night entertained with a pleasant five-course valentine dinner in honor of relatives of Mr. and Mrs. W. F. Lutz, visiting here from Chicago and Cincinnati. Covers were laid for fourteen, and violets were used in table decorations.

For Miss Greenbauer

Misses Ely and Michod were hostesses last night at a pretty birthday party for Miss Louise Greenbauer at the apartments of these three charming teachers in the Bristol home on Spurgeon street. A red and white color scheme prevailed in the refreshments, which included a handsome birthday cake. Those enjoying the pleasant evening besides the hostesses and the guest of honor, were Misses Wyant, Thompson, Arnoldy and Taylor of the high school; Misses Faith Shaw, Marie Sauer, Louise Grouard, Thirza Marrs.

Entertained Philathea

Kate Kelley of South Main street, was hostess to the Philathea class of the First Presbyterian church last evening. Business came first, in a very small dose, and pleasure afterward. Refreshments suggestive of the valentine season were served by Miss Kelley, assisted by Miss Florence Dolg, at the close of the evening. A splendid time was reported by those present.

Miss Medlock's Luncheon

A charming one o'clock luncheon with Miss Velda Medlock as hostess was one of the pleasing social functions of yesterday. Covers were laid for twenty-two guests. Pink baskets massed with fragrant violets formed the major table decorations and tiny

pink cups were used for nuts. A valentine motif was suggested in the ices, the heart-shaped cakes and mints.

Varying the pleasures of the afternoon following the luncheon, vocal numbers were given by Miss Mary Wakeham and an instrumental duet was played by Mrs. Ray Stedman and Miss Medlock.

Garden Grove "Y'S"

The Garden Grove Y. P. B. met at the home of Miss Helen Schneider Friday evening with an attendance of twenty-five or more. The early part of the evening was devoted to the business, then followed a number of readings of different dates of Miss Willard's life. The program was as follows:

Reading, "Miss Willard as a Child," Miss Elma Butler; "Miss Willard as a Student," Miss Edith Steele; "As a Traveler," Miss Reba Steele; "As a Reformer," Miss Lila Crane; "Miss Willard at Eighteen," by Miss Mildred Harper.

Music and refreshments ended the evening's pleasure.

Dinner Party

Mrs. E. B. Smith entertained last evening with a six-thirty o'clock dinner, her guests being Rev. and Mrs. J. A. Stevenson, Mr. and Mrs. J. W. Bishop, Mr. and Mrs. L. J. Carden, Mr. and Mrs. C. S. Kendall.

Red carnations and hearts spoke of the valentine season, these being used in the table decorations. Dan Cupid's day was further brought to mind in the ices and cakes.

Wedding Anniversary

Mr. and Mrs. Parke Roper celebrated their nineteenth wedding anniversary on Monday evening, their guests being the members of the Thursday Evening Whist Club, all of them being old friends of the Ropers. Jonquils that had been presented to the host and hostess were used in house decorations. Another presentation was a joint one from the club, a dozen silver butter spreaders being the gifts. Hiram Connell made the presentation address.

Progressive whist was played, the first prizes going to Mr. and Mrs. W. A. Huff, and the consolation to Mr. and Mrs. J. R. Porter. Refreshments were served on individual tables. The guests were Messrs. and Mesdames Hiram Connell, M. A. Yarnell, J. R. Porter, W. A. Huff, J. W. Carlyle, J. D. Thomas, Arthur Lyon.

A Pleasant Surprise

As yesterday was Mr. Holzgraf's natal day his good wife planned a surprise for him which was successfully carried out.

On arriving home from his business and entering the dining-room, he found a company awaiting him, and when asked to be seated in a beauti-

ful Morris chair, a gift from his children, he sank into the beautiful chair, bewildered.

He recovered, however, from his pleasant surprise, and after a jolly half-hour a three-course chicken dinner was served with Mr. Holzgraf as the honored guest. The evening following was pleasantly spent, with conversation and games, and at a late hour all departed wishing Mr. Holzgraf many happy birthdays.

Those present besides Mr. and Mrs. Holzgraf were Mr. and Mrs. Will Rohr and children, Laurence Bertram, Miss Fannie Blackwood, Miss Alfreda Holzgraf, Mr. and Mrs. Tom Elsie, Harold and Homer Holzgraf.

Mr. and Mrs. F. Holzgraf of Hemet were not able to be present on account of Mr. Holzgraf's business duties, but sent their father many "happy returns of the day."

Parent-Teachers to Meet

The regular meeting of the Parent-Teachers' Association of Lincoln School will be held on Thursday afternoon at 3:30.

Miss Deardorff's Recital

Miss Deardorff is a pupil of Waldo F. Chase and has already achieved a recognized place in Los Angeles, where she has established a studio. It will probably be the pleasure and privilege of many of her Santa Ana friends to attend Miss Deardorff's recital next Tuesday, not only to give themselves a musical treat but to show their appreciation of the brave determination she has evinced in pursuing her musical career. As will be seen below the program to be rendered is a pleasing one:

Immigration Officers Think Local Chinese are Engaged in Illegal Traffic

ANAHEIM, Feb. 14.—Following a crew from the main immigration office in Los Angeles, Immigration Officer Fred C. Boden made a raid yesterday afternoon on the Chinese stores in this city. He was assisted by City Marshal Kallenberger and Deputy Phil German.

The Los Angeles authorities have got the opium smuggling trade pretty well confined, but as it has continued to go into that city they have decided that the opium was smuggled into Anaheim through Anaheim Landing. They believe that from Anaheim and other small cities along the coast, the opium is reshipped to Los Angeles to avoid detection.

As far as securing opium was concerned the raid yesterday afternoon was unsuccessful, yet there was no doubt in the officers' minds but what opium was hidden some place about the premises. A number of pipes, ash trays and opium ashes were secured, but they were unable to find any opium.

KNEE INJURED IN CHASE AFTER TEAM

Mr. Charles Eggbroad was the victim of a severe accident yesterday morning as he was just starting to work. He was walking on the ground driving his team with a load of wood. The team took right and started to run. In attempting to stop them Eggbroad was thrown against a harrow which was standing in the field. In falling on the harrow his knee cap hit one of the harrow teeth, and inflicted a severe injury. He is now confined to his bed, but nothing serious is expected from the injury.

CIVIC BODY HELD BANQUET

Anaheim Board of Trade Members Heard Good Booster Speeches

ANAHEIM, Feb. 14.—Frank Elias, the Mexican, aged 20, who robbed Joe Morales Sunday of \$360 while the family was away from home visiting, was captured yesterday in San Bernardino. The sum of \$240 which he still had on him, and which he had not spent, was regained.

Morales went to Los Angeles early Monday morning and traced Elias to San Bernardino and there he was found eating at a cafe with a friend. Since Sunday he had spent \$120 and besides a few clothes the rest of it went for drink.

The \$240 was taken from him by Morales and the officers who accompanied him and he was put in the San Bernardino jail to await trial.

SIX JOLLY MAIDS TO GIVE A DANCE

ANAHEIM, Feb. 14.—The young unmarried men of Anaheim will have an opportunity of their lifetime tomorrow (Wednesday) evening to have a good time when the girls' club, known as the "Six Jolly Maids" is going to give a leap year dance. The dance is to be held in the Opera House Hall, and it is to be decorated in hearts, posters suggestive of leap year. Also paper boughs will be used in beautifying the hall. Although the dance is to be held on St. Valentine's evening, it is not to be a St. Valentine's dance, but a leap year dance entirely. The young men will be expected to call for the girls, but after they reach the hall the girls will take things in charge and they will ask the young men to dance with them. It is said there will not be much of an opportunity for the latter to be wall-flowers, for there will be plenty of girls present to make it interesting for them. The dance is being given by the "Jolly Six Maids" who are, the Misses Alma Yoern, Blanche Mickle, Elizabeth Yoern, Mable Gade, Clementine Backs and Olga Wipperman.

LOS ANGELES PRODUCE MARKET

The market for citrus fruit was in better shape than a week ago, because of less liberal offerings of inferior stock that was pressed for sale at low prices. The demand for good fruit showed improvement, but retailers were disposed to buy in small lots. Fancy packed lemons were quoted 25 cents a box higher and the best sold at the outside figure of \$3.50. Seedless grapefruit advanced 50 cents a box, the stock being quoted from \$3.50 to \$4. Other citrus fruits were held at

The dried fruit market was featureless. Business was rather quiet, with, however, no material alteration in the situation. Prunes ruled steady at unchanged values. There is very little new business showing locally now owing to eastern speculators selling on small profits. Raisins showed little interest from the trade. The general condition in this market was unchanged over last week.

There was a good show of interest in vegetables and the market kept well cleaned up of desirable-quality offerings within the quoted range of values. Carrots and cabbages were inclined to weakness and a slight decline in prices was noted. The former sold from \$1.00 to \$1.10 a sack and the latter moved out from \$1 to \$1.25 a sack. New asparagus was quoted for the first time on change from 50 to 75 cents per pound.

The deciduous fruit market was dull, with trading restricted to the filling of limited orders for apples and winter Nellie pears. Prices for the latter were unchanged and really presented a steady tone as dealers just drew enough stock out of storage to meet immediate wants.

The egg market showed another decline of 1½ cents on candied selects and case counts. The former sold at 27½ and the latter at 23½ cents per dozen. Bullet eggs were held at 22 cents. The market was reported steady under the revised quotations. Receipts were 468 cases.

No bear arrivals were reported in. Pink beans are slowly advancing in a jobbing way, but no material change was noted on the street. There was a strong undercut current of strength on both Lady Washingtons and small white and advance along this line would not be looked for.

The market on sweet potatoes dragged. Receipts were sixty-one sacks.

AT THE COURT HOUSE BIG CONTEST IS STARTED

A contest within a contest was signalled today when T. A. Winbigler, public administrator, as administrator of the estate of Thomas Devonshire brought suit to quiet title to forty acres of land, worth \$25,000, in the Kraemer tract, Placentia. The defendants are Arthur Roy McDonald, E. H. and D. F. Marke, G. W. and Nellie Arper, N. F. Brady, Thomas Strain, Jr., and E. H. Marke, administrator of the estate of Lucy Devonshire.

When Mrs. Devonshire committed suicide on July 7, 1910, a grandson, McDonald, claimed the estate, asserting that Devonshire had given it to Mrs. Devonshire in trust for him; and she had destroyed the papers showing that trust. The Marke and Arpers fought for the estate as heirs of Mrs. Devonshire, lost in the superior court and are preparing to appeal. Now comes the pugnacious administrator claiming that the entire estate belongs to the heirs of Devonshire. Scarborough & Forgy represent Winbigler.

Lusted Is Winner
Judge Crowe yesterday gave judgment for R. D. Lusted against E. F. Wickersheim. Lusted had a trade with Wickersheim in which Lusted gave real estate, and Wickersheim, among other considerations, an automobile. Lusted declared the automobile was not up to representations, recalled the trade rescinded and sued for \$25,000.

Suing David Hewes
Suit for \$2394.75 damages was begun today by J. D. Dickson, with Scarborough & Forgy, attorneys, against David Hewes, the El Modena anchor. Dickson asserts that while employed by Hewes on Nov. 25, 1911, a team of poorly broken, balky, dan-

gerous horses tipped over a load of hay on which Dickson was riding, and broke Dickson's leg. Dickson wants \$2000 for his injuries and the remainder for hospital bill and other expenses.

Shows Partnership
A certificate of co-partnership in the Orange County Wine Co., filed today, shows the partners to be J. W. Walls, Anaheim; Erwin Bayha, Yorba; U. W. Hall, Newport Beach; Pierre Nicolas, Fullerton.

Appeal Is Taken
An appeal from Justice Fullerton's court was taken today by O. C. Overman and J. S. Futrelle, who sued A. M. Wilson for \$120 commission on a real estate deal. Wilson got judgment at Orange.

Charge Dismissed
On the request of the complainant, A. J. Stewart, the charge of assault with deadly weapon against Rollo Kellogg of Placentia has been dismissed. Kellogg attacked Stewart with a knife.

Marriage Licenses
Junius M. Good, 21, and Alice S. Ceiper, 20, both of Fullerton; Archie A. McCormick, 29, and Chilnessa A. Parker, 20, both of Fullerton.

NOT SALTS, OIL OR PILLS BUT CASCARETS

No Odds How Sick Your Stomach; How Hard Your Head Aches or How Billious—Cascarets Make You Feel Great.

You men and women who sometimes can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping clean inside with Cascarets, or merely forcing a passing every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.

Tomorrow morning, Gilbert's Great Embroidery Sale, 8:30 o'clock. Be there when the door opens. 35 cents a yard and 1000 yards to sell. Bigger and better than last year. You never saw such values. 45 inch, 27 inch and 18 inch floundings.
